## Peter Thillaye: Sound Designer

Working in conjunction with IMAX producers for over 27 years and 37 films, we are pioneers in the field of multi-channel sound design and recording/mixing. We have a core group of award winning editors and mixers available to deliver a richly detailed sound environment. The most experienced sound team in large-format film have completed:

*Wonders of the Arctic 3D*

*Island of Lemurs: Madagascar 3D*

*Jerusalem 3D*

*Flight of the Butterflies*

*Wildfires! A Firefighting Adventure in 4D*

*Rocky Mountain Express*

*Rescue 3D*

*Born To Be Wild 3D*

*Legends of Flight*

*Hubble 3D*

*The Ultimate Wave Tahiti 3D*

*Under the Sea 3D*

*Journey to Mecca*

*Satisfaction: The Life and Times of Michael Kohl (TV doc)*

*Mysteries of the Great Lakes*
